Allow everyone to express their generosity, to develop the educational impact of sport through our Playdagogie program.

How ?

The Sport Solidarity Auction will give sports fans the opportunity to combine an once-in-a-lifetime purchase with an act of commitment.

Raising money for the Playdagogy

The Playdagogy program is characterized by the combination of curriculum themes within a game or sport.

Its helps in the transmission and assimilation of messages of prevention with regards to the developmental situation of children and the solicitation of effective memory.
